[Omnisphere 2.6 Not Showing Up](#)

---

The image shows the front cover of the 'Omnisphere 2.6 Power Synth' software box. The cover is dark blue and black, featuring a glowing blue and white orbital ring around the top half. Below the ring, the text 'OMNISPHERE' is written in a large, white, blocky font, and 'POWER SYNTH' is written in a smaller, white, italicized font below it. The bottom half of the cover shows a view of the Earth from space, with the horizon line and a thin layer of atmosphere. In the bottom right corner, there is a logo for 'SPECTRASONICS VIRTUAL INSTRUMENTS' which consists of a stylized triangle with a rainbow gradient and the company name below it.
